About SPIK

Society of Periodontists and Implantologists of Kerala (SPIK) enters its 20th year as a vibrant professional body dedicated to advancing periodontology and implantology. Through its flagship programs, it provides a common platform that brings together academicians, clinicians, and postgraduate students to foster knowledge exchange, collaboration, and professional growth. Over the years, SPIK has played a pivotal role in strengthening the specialty across Kerala.

About Kothamangalam

Kothamangalam, once a quiet town in Ernakulam district, has now evolved into a gateway to the High Ranges. Known for housing some of Kerala's premier educational institutions, it stands as a true reflection of the state's rich religious and cultural harmony. Just a short distance away lie attractions such as the Thattekadu Bird Sanctuary, Bhoothathankettu Reservoir, and Paniyeli Poru Ecotourism, among many others waiting to be explored. This summer, come and experience the warmth, charm, and vibrant hospitality of Kothamangalam at the SPIK Annual Conference.

About MBDC

Mar Baselios Dental College, the proud host of the SPIK Annual Conference, provides an exceptional venue with its serene campus and advanced academic and clinical infrastructure. The institution boasts state-of-the-art auditoriums and well-equipped seminar halls, ensuring a seamless and enriching conference experience. Set in the picturesque town of Kothamangalam, it offers the perfect blend of academic excellence, modern facilities, and warm hospitality for all delegates.

Mar Baselios Dental College is well connected by road and is located approximately 1 km off the Aluva-Munnar Road. Delegates travelling from the south via the MC Road can take a right turn at Muvattupuzha, while those arriving from the north can take a left at Perumbavoor. The nearest railway station is Aluva Railway Station and the nearest airport is Cochin International Airport, both situated approximately 33 km from the campus.

* Common transport will be arranged for delegates from Aluva Railway Station to Mar Baselios Dental College on the mornings of May 9 and 10, and from the college back to Aluva Railway Station on the afternoon of May 10.
